

GIS day

EXPLORE

THE FUTURE
WITH GIS

Join us at the International GIS Day event to explore how Geographic Information Systems (GIS) contribute to the development of Armenia.

The event is scheduled for November 15th at 16:00 and will be held at the AGBU building, located at 2/2 Melik-Adamyany Street in Yerevan.

Please register using the following link: <https://geo-vibe.com/gisday>

By registering, you not only secure your participation but also enter an exclusive drawing for valuable prizes
